

## **Minutes for the Village of Cerro Gordo**

**APRIL 21, 2008**

The monthly meeting of the President and the Board of Trustees met at 7:00 p.m. on Monday, April 21, 2008 at 231 East South Street in Cerro Gordo, Those present include President Jim Morgan, Trustees Brad Williams, Lyle Shoraga, Carol Huff, Mike Songer, Treasurer Cris Perry, Atty. Colette McCarty, and Clerk Linda Ash. Also present were ASST. D.P.W. Mark Blickensderfer, and P.C. Pat Carter.

The meeting was called to order with the Public Forum held first. There were many speakers tonight and all wanted to talk garbage. The Village has an exclusive contract with Veolia to provide service to the town. United Waste was picking up several customers and was notified by Veolia's attorneys that they had to pull out. At the November meeting, prices for the service were discussed. Several questions were asked about advertising for bids for the service. This is a non-bid contract as it is a licensing contract. Commercial service is not covered by Veolia so anyone with commercial needs can have service from United.

Atty. McCarty explained that when Mr. Young began picking up some customers in town, Veolia did not have an exclusive contract with the Village. When the new contract was signed, Veolia asked for an exclusive contract and the Village obliged. The law does allow one carrier to have an exclusive contract and one of the benefits from that is the number of large trucks on the roads and the noise from these trucks as well. At the most, United can request a proposal in three years when the current contract is up. Among the items the Village will be looking at will be free recycling, town clean-up, senior citizen program, service to parks, fire department, ambulance, and Village offices. All items are listed on an agenda and it is not up to Village personnel to contact individuals to see if they are interested in a contract with the Village. The current contract calls for a 3% increase each year of the contract. It also was noted by the attorney that when a resident decides to live in any town, you are agreeing to live by their ordinances.

The ordinance can be amended to include different haulers; however, the current contract cannot be amended before 2010. The lease concerns with Mediacom (that were asked about) deals with the building that Mediacom keeps some equipment in. The Village has a franchise agreement with Mediacom.

Randy West, with the Regional Development Committee, announce some plans for the annual Fathill Fest to be held June 20, 21. There will be an antique car show on Friday evening, and a band, and on Saturday there will be games, band, afternoon shows. As always, money is needed to help with this celebration. The lunch buffet went over very well. Randy is asking for a donation from the Village to help with cost. \$1000 has been budgeted for this and a motion was entered by Trustee Shoraga, second Huff to release those funds. Roll call vote: Trustees Williams, Shoraga, Huff, and Songer all yeas.

At the March meeting the resignation of Rod Forbes was accepted with regret. At this meeting, the Mayor would like to appoint Terry Lovekamp to fill the remainder of Rod's term which expires in 2009. A motion was made by Trustee Shoraga, second Songer to appoint Terry Lovekamp as Trustee for the Village of Cerro Gordo until 2009. Roll call vote: Trustees Williams, Shoraga, Huff, and Songer, all yeas.

Tim Allen presented a copy of an ordinance to allow the use of golf carts on Village streets. Two towns that allowed them have reported no problems with them. Operators must have a valid driver's license, are 16 or 18 years old and must be registered with in the town at a price of \$25-\$50. The Board will take this into consideration.

Minutes were read and approved.

Trustee Shoraga was asking if the Fire Department ever sent the condemnation letter to Galen Handley for the old Vulgamott building on Monroe Street. The electricity is off.

The attorney reported that she has contacted the County treasurer in regards to the old Edwards property. Their office has hired a company to take care of tax forfeitures. The property could be up for a scavenger sale. Currently the taxes are over \$47,000 for the old Edwards property on Jackson Street.

A motion was made to move to closed session for compensation 120/2 C-1 and purchase of property 120/2 C-5 by Trustee Shoraga, second Huff at 8:48 P.M.
